Due to the design change in the 3/8" pump to accommodate larger more robust seals, pump models 60H, 62F, 64D now use 18-62G series of seals.

Customers have the option to purchase the 24-62-2 Pump Chamber in the new configuration, to accommodate the new 18-62G seals as a retro upgrade. Sidewinder is charging \$50.00 net for the new 24-62-2 Pump Chamber.
