## Pneumatic Pumps

### Sidewinder Sales Brochure

Contact Sidewinder Pumps Inc. @ 337-235-9838 or PO Box 80769, Lafayette, LA 70598-0769 [www.sidewinderpumps.com](http://www.sidewinderpumps.com)

- \* Field Serviceable
- \* Lightweight & Compact, only weighing about 9 lbs.
- \* Stroke adjuster combined with timer control provides precise flow metering.
- \* Less maintenance is needed, with only 6 items that are replaceable in the timer control valve.
- \* The plunger and seal can be changed without the pump being removed from service.
- \* A major wet end kit can be installed in as short as 20 minutes!
- \* Choose our optional ceramic plunger, and receive a lifetime warranty against breakage and wear!
