Manufacturer's Warranty

Manufacturer warrants that all equipment manufactured shall be free of defects in material and workmanship for a period of one (1) year from date of shipment by the Manufacturer. This warranty does not include normal "wear and tear" on pump and valve seals, seats, plungers, and balls. If the Manufacturer determines that equipment components returned to their offices is defective in material or workmanship, the Manufacturer will replace the defective equipment components without charge. However, all such returns shall be shipped prepaid to the Manufacturer.

This warranty shall not apply to:

- (a) Any product that shall have been subjected to misuse, neglect, accident, or damage by circumstances beyond Manufacturers' control, or to improper operation, maintenance or storage, or to other than normal use or service.
- (b) Products which shall have been altered or improperly repaired, or
- (c) Products not manufactured by Manufacturer. (With respect to materials not manufactured by Manufacturer, the warranty obligation of Manufacturer shall in all respect conform and be limited to the warranty actually extended to Manufacturer by its suppliers.)

The foregoing warranty is, and shall be, in lieu of all other warranties, obligations and liabilities, whether expressed or implied. The Manufacturer does not assume nor authorize any customer to assume any other obligations or liability in connection with the sale or use of Manufacturers' products.
